Purpose: The purpose of this project is not to add extra work to busy schedules, but it is to expose Woodcrest students to serving others. Christ has called us to serve others and to show the fruits of our faith through ministering to others. Woodcrest Christian School would be remiss if it only required intellectual challenging of our students' faith and neglected the practical living out of our Christian faith.

Pre-approved Organizations: (You'll have to call ahead to each organization—some have limited jobs for Middle School students and many require parent help.)
